

## DXV 2016 Kitchen Images and Captions

With country heritage and character reflected in a restrained and sophisticated design, the canvas white **DXV Hillside Apron Sink Collection** elevates the kitchen work space.

Available in a variety of sizes in both stainless steel and fine fire clay, this authentic period line reflects true Americana farmhouse spirit. The classic, European-style of the **Victorian Bridge Kitchen Faucet** in ultra steel complements the soft appeal of the **Hillside Apron Front Kitchen Sink**.

The **DXV Isle Pull-Down Kitchen Faucet** in ultra steel finish reflects contemporary styling with a soigné attitude, showcased here with a **DXV Pop Rectangular Vessel Sink** in canvas white.

The juxtaposition of the Classic and Modern design movements is shown here, respectively, in the form of the **DXV Hillside Stainless Steel Kitchen Sink** and the **DXV Fresno Culinary Kitchen Faucet** in polished chrome, both designed with a blend of simplicity and utility.

The canvas white **DXV Hillside Apron Front Kitchen Sink**, which depicts classic styling with decorative highlights, is accentuated with the uplifting essence and organic style of the **DXV Fresno Culinary Kitchen Faucet** in an ultra steel finish.
