## SelectFlo Kitchen Faucets Maximize Efficiency and Performance with Multiple Spray Patterns

*American Standard Xavier Collection Places Users in Control with Functionality to Tackle Any Task; Optional Scrub Brush Attachment Enhances Cleaning Power*

PISCATAWAY, N.J. (November 20, 2014) — Offering five versatile operations, plus a useful optional scrub brush attachment, the new [SelectFlo line of multi-function kitchen faucets](#) from American Standard is designed to make common kitchen tasks a breeze.

The [three SelectFlo kitchen faucets](#) in the Xavier collection put the user in control of the task at hand, giving them the correct tools to complete various kitchen jobs. The versatility of these various functions allows the user to alter the water stream as tasks change, making work more efficient.

In addition, the powerful performance of the SelectFlo jet spray is more effective at attacking tough clean-up jobs than the flow of a conventional faucet.

Offering a choice of four spray patterns plus a convenient pause feature, the new Xavier SelectFlo pull-down kitchen faucet from American Standard keeps the user in complete control over any kitchen task, maximizing efficiency and performance.

- more -

The Xavier SelectFlo faucets from American Standard are available in a choice of [two high arc pull-down models](#) and [one pull-out model](#). Other multi-function faucets on the market offer only three functions, but the SelectFlo faucets offer four useful options:

- [Stream](#) to fill large pots and containers fast
- [Spray](#) for effective rinsing
- [Jet](#) to power through tough cleaning jobs
- [Mist](#) that is perfect for plants and rinsing delicate foods.

The pull-down SelectFlo models also offer a [Pause feature](#) that briefly stops the water flow, which is especially useful when filling a container that is not in the sink. On all three Xavier faucet models, users can simply toggle down into “Spray” mode and rotate the dial to select the proper spray pattern.

The new Xavier SelectFlo pull-out kitchen faucet from American Standard features unique multi-functionality including a powerful jet spray for heavy-duty cleaning as well as a light mist that is perfect for houseplants and cleaning delicate foods.

A [handy scrub brush](#) is also available as an optional accessory. The brush, which attaches directly to all SelectFlo faucet models, features rigid blue nylon bristles for tough scrubbing and softer grey bristles for more delicate cleaning. It is dishwasher safe and can be purchased in-store or online.

Included with each faucet are a metal soap dispenser and optional deck plate, making them compatible with sinks have one through four holes. These SelectFlo faucets also feature the exclusive Re-Trax docking system that provides smooth operation with optimum

resilience for comfortable, trouble-free use. For easy installation, the faucets come with pre-attached, color-coded stainless steel supply lines.

- more -

[SelectFlo kitchen faucets](#) feature ADA-compliant metal lever handles, ceramic disc valves for a lifetime of drip-free performance and deliver a 1.8 gallon per minute (gpm) maximum flow rate.

The American Standard Xavier SelectFlo kitchen faucet line is available [exclusively at Lowes](#).
