Luxuriate with a Deep Soak in American Standard Freestanding Tubs

*Soaking Tubs Offer Elegant, Sculptural Styling and True Design Flexibility;
High-Gloss Cast Acrylic Construction Provides Durability;
Sized to Fit Comfortably in Most Bathrooms*

LAS VEGAS, HD EXPO (May 13, 2015) — Revel in the simple pleasure and soul-satisfying luxury of a deep soak in one of [three freestanding tubs](#) from American Standard. Designed with roomy comfort, yet compact enough to fit in an average-sized bathroom, these soaking tubs are pleasing to the eye and surprisingly gentle to the bottom line.

The three stand-alone tub models include:

- [Sedona, a rectangular tub](#) featuring a clean, transitional form;
- [Kipling, an oval tub](#) characterized by elegant, traditional styling; and
- [Coastal, an oval shape](#) offering a fresh look with contemporary design lines.

Featuring sleek lines that will gracefully complement a variety of stylish bath decors, each of these soaking tubs stands out like a striking sculpture, bringing elegance and beauty to the bathroom.

The Sedona soaking tub from American Standard provides a clean, modern focal point for the bathroom, combining a luxury look with a beautifully affordable price.

Featuring soaking depths ranging from 16 1/8-inches to 17 3/8-inches, these freestanding tubs deliver a truly luxurious, spa-like experience while taking up less room than a deck tub. These three soaking tubs are designed to function as the focal point of the room, can fit in most standard sized bathrooms, and provide superior value at affordable pricing.

Enjoy the simple pleasure of a relaxing deep soak in the Coastal freestanding tub from American Standard, featuring stylish design and lustrous, cast acrylic construction for durability.

To allow for a supremely satisfying deep soak, these tubs feature large, slotted overflows integrated directly into the tub wall. All three tubs

feature a convenient, center toe-tap drain that is simple to activate. Hidden leveling feet allow for convenient adjustment for the perfect floor fit.

These three freestanding tubs are protected by a limited lifetime warranty.

For more information on the [Kipling, Sedona and Coastal soaking tubs](#), visit www.americanstandard.com or call (800) 442-1902.

The Kipling freestanding bathtub from American Standard is distinguished by a classically curved design, bringing a handsomely stylish hint of Old World elegance to the bathroom.
