Chatfield Bath Sink Faucets from American Standard Bring Elegant, Lasting Beauty to the Bathroom

*Transitionally-Styled Collection Delivers Reliable, Water-Saving Performance;
Easy-To-Install Models Characterized by Graceful, Fluid Design*

PISCATAWAY, N.J. (April 21, 2016) — Highlighting free-flowing curves and distinctive features, the [Chatfield collection of bathroom sink and shower faucets](#) from American Standard are as durable as they are beautiful. Simple to install and comfortable to use, this new assortment provides impressive water savings and quality construction for long term reliability.

The [Chatfield line offers a variety of appealing faucet models](#) that radiate a sense of fluidity and elegance, with transitional styling that makes it easy to create a coordinated, yet graceful, bathroom space. This range includes charming [4-inch centerset](#) and [8-inch widespread lavatory faucets](#), plus a [complementary tub/shower set](#).

New from American Standard, the Chatfield widespread bathroom sink faucet offers a fluid, transitional design, silky smooth performance and easy installation with Speed Connect pre-assembled handles.

- more -

To provide simple installation, Chatfield widespread sink faucets feature the exclusive American Standard Speed Connect Installation System, which allows the pre-assembled handles to be easily dropped in from the top. Plus, this widespread faucet includes

Distinguished by graceful curves and durable metal construction, the new Chatfield centerset lavatory faucet from American Standard offers a water-saving flow rate of 1.2 gallons per minute (gpm) without sacrificing performance.

hoses that easily snap together for a water-tight connection. These innovative features are a bonus for do-it-yourselfers and professional installers alike.

The handsome Chatfield tub/shower set includes a drenching [5-inch round, 3-function showerhead](#) that offers a refreshing, spa-like shower experience. The choice of spray patterns includes conventional, massage and combo. A single lever handle smoothly controls water volume and temperature, while providing

thermal shock protection against sudden changes in water pressure. To help prevent scalding, the tub/shower faucet set features an adjustable hot limit safety stop to regulate the amount of hot water that mixes with cold to flow through the faucet.

The Chatfield lavatory models, like all American Standard bathroom faucets, deliver water savings without sacrificing performance. Using only 1.2 gallons per minute (gpm), Chatfield bathroom sink faucets deliver a strong water flow rate for users. They provide 45 percent water savings over standard 2.2 gpm models, and meet stringent WaterSense-certification criteria from the U.S. Environmental Protection Agency (EPA). The Chatfield showerhead has a water-conserving flow rate of 2.0 gpm and is WaterSense-certified.

Offering a shapely, free-flowing design and superb performance, the new Chatfield faucet collection from American Standard is available in three attractive and long-lasting finishes to suit almost any bathroom decor. Complementing the Chatfield assortment is the classic design of the American Standard Portsmouth pedestal sink, Cadet 3 ultra-high-efficiency dual flush toilet and spacious EverClean whirlpool tub.

This elegant line of faucets is available in three popular finishes: polished chrome, brushed nickel and legacy bronze. These lustrous finishes are manufactured right into the body of the faucet for lasting beauty that is tarnish, scratch and corrosion-resistant.

The bathtub and shower faucet set in the Chatfield line from American Standard includes a generously-sized 3-function showerhead for a drenching spray and a convenient, single-lever handle.

The Chatfield faucets feature sturdy metal bodies and mounting hardware for durability. They are equipped with ceramic disc valves to ensure smooth handle operation and valve control for a lifetime of drip-free performance. The ADA-compliant lever handles on the Chatfield faucets are convenient and comfortable to use for family members and guests of all ages. The complete collection is protected by a limited lifetime warranty on function and finish.

[Chatfield lavatory and shower faucets](#) range in price from \$61 to \$119, depending on style and finish. The Chatfield assortment is available at The Home Depot nationwide.
