Patience Bath Faucet Collection Blends Classically Elegant Styling with Charmingly Fresh Detailing

*Reflecting Organic Inspiration, This American Standard Range Includes Sink Faucets,
Shower Trim Kits and Tub Filler with Hand Shower*

PISCATAWAY, N.J. (February 28, 2018) — Bring a feeling of soft sophistication to any bathroom with the refreshed vintage styling of the [Patience line of bath and shower/tub faucets](#) from American Standard. Showcasing petal-like handles, inspired by Queen Anne furniture, and distinctive coin edge detailing, this versatile assortment offers design flexibility with various configurations and popular finishes.

The Patience monoblock, widespread and single handle vessel sink faucets offer a WaterSense-certified flow rate of 1.2 gallons per minute (gpm), while the multi-function showerhead – also WaterSense-labeled – uses only 1.8 gpm, which is 40 percent less water than conventional showerheads. The collection also includes a deck mount tub filler with matching water-saving hand shower.

American Standard-exclusive technologies are showcased in the Patience line to help simplify installation. The widespread bath faucet features the Speed Connect pre-assembled handle installation system, while the pressure balance shower set showcases TRIMendous universal valve technology that allows homeowners to change trim after installation without needing tile to be ripped out.

Exhibiting classic details and a softly feminine sense of style, the new Patience monoblock faucet features coin edge detailing on the faucet spout and base for an elegant highlight.

- more -

All pieces are available in four attractive, long-lasting finishes: polished chrome, polished nickel, brushed nickel, and legacy bronze.

The Patience bath collection is available at kitchen and bath showrooms nationwide. List prices are: sink faucets \$249 to \$543; bathtub and shower trim sets \$131 to \$432; tub fillers \$779 to \$1,169.
