Nominal Dimensions:
30-1/4" x 15-3/4" x 30-3/4"
(768 x 399 x 781mm)
Fixture with seat, supply by others

4000.119 Tank complete with coupling components and tank trim

5025A.65G Telescoping Elongated Luxury Seat

Compliance Certifications -
Meets or Exceeds the Following Specifications:
- ASME A112.19.2/CSA B45.1-08 for Vitreous China Fixtures
IMPORTANT: Water supply on the wall is required at 2-1/4" or 8" from centerline of the toilet (see rough-in). First suggested position is hidden behind the toilet. The geometry of the toilet gives space for this installation. The second suggested position is next to the toilet. Between these two positions, the space for the supply between wall and toilet is limited to 4-1/2". In this case, check your supply and hose dimensions.
